THE BLESSED LIFE

A MESSAGE FROM PASTOR RICH & JANE WELLER

Welcome Home! Thank you for choosing to spend some time with us today. Whether you are a first-time guest or consider Northwest Assembly of God your home, it is our hope that you will find the community and direction that can only come through the local Church. We hope that you will feel comfortable and loved. Our staff, ushers, and greeters are happy to assist you in any way.

Northwest is full of people who love God and one another. We pray that through our time together you will personally experience the love of Jesus and meet some truly great people. We pray God's abundant blessings upon you and all that you are called to achieve in life. May He grace your life and fulfill all your dreams and desires.

P. Rich & Jane

WELCOME HOME

Northwest Assembly of God is a multicultural and multigenerational community where you will experience life together in an environment where you will find faith, peace, encouragement, and family.

OUR MISSION

In everything that we do, you can find **OUR MISSION**. We exist to EXPRESS our love to God, GROW in our relationship with God, and TELL others about God.

- **We express our love to God** through our worship and prayer. We believe that it is vitally important to communicate with God every day.
- **We grow in our relationship with God** by "doing life together" in our community groups and serving in different areas of the Church.
- **We tell others about God** by showing and living what He has done in our lives by intentionally looking for opportunities to love and influence everyone.
